

Business And The Environment: Toward Common Ground

Early 20th C.

- 1916 - AACSB founded as the Association of Collegiate Schools of Business.

1940/50s

- 1944 - The International Monetary Fund (IMF) is established at a United Nations (UN) conference in Bretton Woods.
- 1945 - World War II ends and the United Nations is established through the signing of a charter by 51 countries with the objective of maintaining international peace and security.
- 1958 - The European Economic Community comes into operation - a major step in Europe's movement toward economic and political union.

70s

- 1972 - The Limits to growth report highlights the challenge of exponential economic and population growth with finite resource supplies. Commissioned by the Club of Rome, it was first presented at the St. Gallen Symposium.
- 1972 - The Gordon-Howell and Pierson Reports as they became known challenged business education to raise its standards, particularly through a greater focus on research and raising the calibre of faculty and students.
- 1972 - The European Foundation for Management Development (later efmd) is founded.

80s

- 1981 - Joint EFMD/AACSB report is published. "Management schools and institutes must develop analytical approaches to courses in managerial and business ethics and to the impact of differing societal expectations on basic values".

90s

- 1987 - The Brundtland Report placed environmental issues firmly on the political agenda; it aimed to discuss the environment and development as one single issue.
- 1988 - Bloomberg BusinessWeek rankings appear.
- 1988 - Porter-McKibbin study on assessment of management education is published by AACSB, which prefaces many changes that occurred in subsequent years.
- 1989 - The Berlin Wall falls, heralding the triumph of market capitalism.
- Daly and Cobb's book challenges conventional economics and the growth-oriented industrial economy.
- Tim Berners-Lee invents the World Wide Web.
- 1990 - Mandela's release a victory for human rights and peace-building.
- 1992 - UN Conference on Environment and Development held in Rio de Janeiro and UN Framework Convention on Climate Change signed.
- 1993 - The European Union (EU) is established following ratification of the Maastricht Treaty.
- 1996 - EQUIS accreditation scheme is launched by EFMD.
- 1997 - AACSB accredits first school outside North America (ESSEC).
